Sub - Regarding the funds required for the purchase and maintenance of bullocks and carts for removal of silt in the Bangalore City Municipality

---

SIR

Adverting to Government Order No L 3550-4/M1 36-45-2 dated 7-11-1945, sanctioning the Budget estimates of the Bangalore City Municipality for the year 1945-46 and deleting (inter-alia) a sum of Rs 61,000/- which had been provided by the Council under "E (2)" for the purchase and maintenance of bullocks and carts, I have the honour to state that at present the removal of street rubbish is being attended to by hired silt carts and a few lorries The silt cartmen are not regular in attendance, though the monthly hire of silt cartmen which was being paid at Rs 25/- before the war has now been raised to Rs 60/- per month The cartmen do not remove the rubbish thoroughly, with the result that the sanitation of the City has sufferred considerably Besides, they frequently threaten to go ~~with~~ on strike and demand increased rates of hire The Municipal Council therefore decided that this system should be municipalised gradually and have approved at their meeting held on 16-12-1944 the purchase of 18 carts to start with, authorising a committee to purchase the required number of bullocks The Committee have already purchased 8 pairs of bullocks, while the bodies required for the carts have been got built and the fodder required for the bullocks has also

been purchased

2 A copy of the Health Officer's report explaining in detail the necessity for the purchase of 18 pairs of bullocks and 18 carts in the current year together with the statements furnished by him showing the details for Rs 12,587-14-0 pending payment in this behalf and also details for the expenditure to be incurred to the extent of Rs 16, 680/- during the remaining part of the current year is herewith for arded for favour of reference The Health Officer's report has been placed before the Managing Committee for approval of the proposals made therein The opinion of the Managing Committee and the resolution of the Council thereon will be forwarded to Government in due course As the suppliers are urging for the settlement of their bills, and as the maintenance of the bullock and carts is absolutely necessary in the interests of the sanitation of the City, the bills in this behalf are being passed provisionally pending orders of Government in the matter

3 In these circumstances, I request that a sum of at least Rs 30,000/- (as explained in the Health Officer's repo: may kindly be caused to be retained in the current year's Budget for incurring the expenditure on account of carts and bullocks

4 Further, kind reference is invited to this office lett No A1 935/44 dated 5-1-1946, and in the circumstances explained therein, a sum of Rs 40,000/- which has been provided for purchase of lorries and Steam Road Rollers under "D(2)" and which has been deleted in the Government Order under reference, may also kindly be caused to be retained

This is taken up separately

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner

Ref - Memo No A1 935/45-46 dated 9-11-45, forwarding a copy of G ONo L 3569-1/M1 36-45-2 dated 7-11-45, sanctioning the budget estimate of this Municipality and to report on the item deleted by Government etc

---

Submitted to the Municipal Commissioner

Sub - Budget provision for the purchase of carts and bullocks of Rs 61,000/-

---

At present, the removal of street rubbish is attended to by hired silt carts and a few lorries It is the experience that the Manure Cart Contractors do not send their full complement of carts regularly and they do not remove rubbish thoroughly, with the result, the sanitation of the City suffers Besides, the silt cartmen are frequently threatening with strikes and demand higher rates of hire The original hire which was Rs 25/- per cart per month has now gone up to Rs 60/- P M Inspite of this higher rate of hire, there is no sufficient response from the cartmen and their attendance is not very regular So much so, the removal of street rubbish is considerably delayed

In all other Sister Municipalities where the standard of efficiency maintained in this behalf is high is due to the fact that the work of removal of rubbish etc , is municipalised It has therefore been decided by the Municipal Council to municipalise this system gradually and they have approved at their meeting held on 15-12-1944, the purchase of 18 carts to start with from the Director of Industries and Commerce and they constituted a Committee for the purchase of the required number of bullocks The Committee have already purchased 8 pairs of bullocks from the Hindustan Construction Co , Ltd , Bangalore Branch at a cost of Rs 2,800/- and the amount has already been advanced The Director of Industries and Commerce has also supplied 8 carts at Rs 200/- each Bodies have been const ucted for the carts as per the advice of the Director of Industries and Commerce by M/s Satyanarayana Furniture Hall, Cottonpet The cost of construction per cart is Rs 70-1-0 excluding the cost of wooden planks supplied

In the narrow lanes, especially in II, III, IV, V and VI divisions,

where the rubbish carts cannot pass through easily, the purchase of 40 hand carts was suggested in the Managing Committee on 13-7-4 Arrangements have already been made to purchase 40 hand carts from one Contractor Mr Anjanappa, the cost of each cart being Rs 120/- excluding the iron materials to be supplied to carts A sample cart of this contractor has also been approved by the Managing Committee The purchase of these 40 carts at a total cost of Rs 4,800/- excluding the cost of iron materials may be placed before the Council for approval

The supply of Fodder for the 8 pairs of bullocks is a big problem and so far I was able to get the required supply of 'Ragi' hay, gram etc The bills received in this behalf are pending payment as the Govt , have deleted the budget allotment A statement showing the pending bills in this connection is herewith put up for favour of information If the payment of these bills is considerably delayed, I am afraid we may not get credit from any one in future

In addition to the present purchase now made. the following items of expenditure have to be incurred during the current year -

1 Cost of 9 carts from the Director of Industries and Commerce
2 Constructing bodies to them
3 Purchase of another 10 pairs of bullocks
4 Entertainment of 10 cartmen
5 Maintenance of bullocks

A statement of expenditure is herewith enclosed It is therefor requested that the Govt , may kindly be addressed early to retain atleast an amount of Rs 30,000/- in this behalf, as per the actual expenditure incurred and to be incurred In the meanwhile the Revenue Secretary to Government of Mysore may kindly be addressed to request the Comptroller to admit the bills pending orders of Government

Serial No 175

Proceedings of the Government of His Highness the Maharaja of Mysore

Read— Letter no A1 935 44 dated 25-1-46 from the Municipal Commr, Bangalore city, stating that the Municipal Council has decided to municipalise the work relating to the removal of street sweepings in the city and requesting, in the circumstances stated, sanction to a provision of Rs 30,000/ in the current year's Budget of the Municipality for incurring expenditure for the purchase of bullocks and carts for the removal of silt in the city

Order thereon.—No.

order no L 8586-8 dt 25 2 46

under the existing

arrangement street refuse in Bangalore city is being removed by the Municipality with the help of hired bullock carts and a few lorries maintained by the Health section of the Municipality. It is reported that this arrangement is not working satisfactorily as the bullock cartmen are not regular in attendance and they do not remove the rubbish, sweepings thoroughly, with the result that the sanitation of the city has suffered. Further they demand higher rates frequently and stop away from work at times.

With a view to overcome these disadvantages, the Municipal Council consider it necessary to municipalize this section of the work gradually with this end

in view, they have approved at their meeting held on 16-12-44, the purchase of 18 Carts to start with and have authorised a committee to purchase the required number of bullocks. An expenditure of Rs 12588/ is stated to have been already incurred in this connection and a further sum of Rs 16,680/ would be required for expenditure during the remaining portion of the year.

The Municipal town Bezwada city has therefore requested that a grant of Rs 30,000/ be allotted for the above purpose. This proposal is accordingly sanctioned, the expenditure being met from out of the closing balance of the Municipality.

The Comptroller is requested to pass the bills pending in this connection as...

the above grant:-

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

Read -

Letter No A1-9[illegible]-44 dated [illegible] January 1946 from the Municipal Commissioner, Bangalore City, reporting that the Municipal Council has decided to [illegible] the work relating to the removal of street rubbish in the City and requesting in the circumstances stated sanction to a provision of Rs. 50,000/- in the current year's budget of the Municipality for incurring expenditure for the purchase of bullocks and carts for the removal of [illegible] the City.

Order No. L 85-86-8/ and 10-45-175

Dated, Bangalore the 25 January 1946.

Under the existing arrangement, street rubbish in the Bangalore City is being removed by the Municipality with the help of hired silt carts and coolies maintained by the Health Section of the Municipality. It is reported that this arrangement is not working satisfactorily as the silt cartmen are not regular in attendance and they do not remove the rubbish, silt, etc., thoroughly, with the result that the sanitation of the city has suffered. Further they demand higher rates frequently and stop away from work at times.

With a view to overcome these disadvantages, the Municipal Council considers it necessary to [illegible] this section of the work [illegible] and in this connection [illegible] their meeting held on 16th December 1944 the purchase of 15 carts to start with and have authorised a Committee to purchase the required number of bullocks. An expenditure of Rs. 13,516/- is stated to have been already incurred in this connection and a further sum of Rs. 16,600/- would be required for expenditure during the remaining portion of the year.

The Municipal Commissioner, Bangalore City has therefore requested that a grant of Rs. 30,000/- be allowed for the above purpose. This proposal is accordingly sanctioned, the expenditure being met from out of the closing balance of the Municipality.

The Comptroller is requested to pass the bills pending in this connection, against this sanction.

For Secretary to Government,
Revenue Department.

To

The Municipal Commissioner, Bangalore City, through the President.
The Comptroller to the Government of Mysore.
The Director of Public Health in Mysore.
